A3 BACKGROUND INFORMATION

- A3.1 Missouri Consolidated Health Care Plan is governed by the provisions of Chapter 103 of the Revised Statutes of Missouri. Under the law, MCHCP is directed to procure health care benefits for most state employees. MCHCP also procures health care benefits for some non-state public entities. The 2016 Benefit Guide and other materials can be accessed from MCHCP's website, www.mchcp.org. If a hard copy is desired, please contact MCHCP at printing@mchcp.org.
- A3.2 The following exhibits and attachments are included within this RFP:

As such, they must be sent to the post office by mid-September for the open enrollment period from Oct. 1 – Oct. 31. Therefore, it is imperative that Open Enrollment publications are printed and mailed no later than Sept. 16, 2016.

A4 OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT

- A4.1 It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise MCHCP if any language, specifications or requirements of the RFP appear to be ambiguous, contradictory and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from bidders regarding specifications, requirements, competitive procurement process, etc., must be directed by email to printing@mchcp.org.

It is the responsibility of the bidder to identify and explain in a cover letter accompanying the response to this RFP any part of their response that does not conform to the requested services described in this document. Without documentation provided by the bidder, it is assumed by MCHCP that the Bidder can provide all services as described in this document.

Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all Bidders will be advised, via

the issuance of an amendment or other official notification to the RFP, of any relevant or pertinent information related to the procurement.

- A4.2 MCHCP monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anti-competitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation may be referred to the Missouri Attorney General's Office for appropriate action.
- A4.3 Notice of the release of the RFP, subsequent amendments and clarifications is made to potential bidders at the current email address maintained by MCHCP. If the email address is incorrect, the bidder must notify MCHCP at printing@mchcp.org upon receipt of the document. Any subsequent amendment to an RFP shall be emailed to the same address as the original RFP unless otherwise notified.

A5 PREPARATION OF PROPOSALS

- A5.1 Bidders must examine the entire RFP carefully and respond to all questions. Failure to do so shall be at the Bidder's risk.
- A5.2 Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
- A5.3 Unless otherwise specifically stated in the RFP, any manufacturer's names, trade names, brand names, and/or information listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals that do not comply with the requirements and specifications are subject to rejection without clarification.

A6 SUBMISSION OF PROPOSALS

- A6.1 A proposal submitted by a bidder must (1) be signed by a duly authorized representative of the bidder's organization, (2) contain all information required by the RFP, (3) be priced as required, (4) be sealed in an envelope or container, and (5) be mailed or hand-delivered (not faxed) to the office of MCHCP and officially clocked in no later than the exact filing time and date specified in the RFP.
- A6.2 The sealed envelope or container containing a proposal should be clearly marked "**2017 Printed Materials and Mailing Services RFP.**" Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
- A6.3 A proposal may only be modified or withdrawn by signed, written notice which has been received by MCHCP prior to the official filing date and time specified. A proposal may also be withdrawn or modified in person by the bidder or its authorized representative, provided proper identification is presented before the official filing date and time.
- A6.4 Bidders must sign and return the RFP signature page or, if applicable, the signature page of the last amendment thereto in order to constitute acceptance by the bidder of all RFP terms and conditions. Failure to do so shall result in rejection of the proposal unless the bidder's full compliance with those documents is indicated elsewhere within the Bidder's response.
- A6.5 All responses to this RFP and amendments to this RFP, including "no bid" responses and requests to modify a proposal, must be delivered to the office of MCHCP in a sealed envelope or container. Submission by unsealed facsimile, email or telephone is not acceptable. However, sealed proposals containing faxed pages are acceptable. In addition, requests to withdraw proposals may be submitted by facsimile but must be received by MCHCP prior to the official filing date and time specified.

A7 EVALUATION AND AWARD

- A7.1 Any clerical error, apparent on its face, may be corrected by the bidder before contract award. Upon discovering an apparent clerical error, MCHCP may contact the bidder and request written clarification of the intended proposal. The correction shall be made in the notice of the award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- A7.2 Any pricing information submitted by a bidder must be disclosed on the pricing pages as designated in this RFP. Any pricing information which appears elsewhere in the bidder's proposal shall not be considered by MCHCP.
- A7.3 Awards shall only be made to the bidder whose proposal complies with all mandatory specifications and requirements of the RFP. MCHCP reserves the right to evaluate all offers and based upon that evaluation to award one contract or to reject all offers.
- A7.4 In the event all bidders fail to meet the same mandatory requirement in an RFP, MCHCP reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, MCHCP reserves the right to waive any minor irregularity or technicality found in any individual proposal.
- A7.5 Any award of a bid shall be made by written notification from MCHCP to the successful bidder. MCHCP reserves the right to reject any or all offers.
- A7.6 Pursuant to Section 610.021, RSMo, proposals and related documents shall not be available for public review until after the RFP is awarded to one or more bidders and a contract is signed.
- A7.7 MCHCP reserves the right to request written clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response shall be subject to acceptance or rejection without further clarification.

It is expressly agreed that MCHCP may obtain an injunction for breach or anticipated breach of contract.
- C10.2 Contractor acknowledges that delay of delivery of final product as agreed to in the delivery schedule will cause economic damages to MCHCP in amounts that are impossible or very difficult to ascertain with certainty and that liquidated damages represent a fair, reasonable and appropriate estimate thereof. In the event that contractor fails to deliver final product as agreed to in the delivery schedule, Contractor agrees to pay liquidated damages of \$200.00 per each complete working day that elapses following scheduled date that the final product has not been delivered/mailed, up to a maximum of \$3,000.00, provided that MCHCP has fulfilled its obligations. Contractor acknowledges that the liquidated damages contemplated in this paragraph are only for damages caused by delay in delivery of the final product and in no way limit MCHCP's other remedies in the event of a material breach of contract.

- C10.4 In the event of material breach of the contractual obligations by the contractor, MCHCP may cancel the contract. The actual cure must be completed within no more than five (5) working days from notification.
- C10.5 If the contractor fails to cure the breach or if circumstances demand immediate action, MCHCP may issue a notice of cancellation terminating the contract immediately.
- C10.6 If MCHCP cancels the contract for material breach, MCHCP reserves the right to obtain the services to be provided pursuant to the contract from other sources and upon such terms and in such manner as

MCHCP deems appropriate and charge the contractor for any additional costs incurred thereby.

- C10.7 The contractor shall hold MCHCP harmless and indemnify MCHCP for any damages or expenses paid or incurred by MCHCP as a result of the contractor's performance, or failure to perform, any of the terms and conditions of the contract. This obligation includes any negligent acts or omissions of contractor.
- C10.8 The contractor understands and agrees that MCHCP will not save, hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect MCHCP, its agencies, its employees, its clients and the general public against any such loss, damage and/or expense related to its performance under the contract.
- C10.9 A written contract between MCHCP and the contractor shall be executed upon award of the RFP. The contract will reflect this RFP and any amendments thereto, and the proposal submitted by the contractor in response to this RFP. In the event of any inconsistency between the RFP and the contractor's responsive proposal, the language of the RFP will govern. However, MCHCP reserves the right to clarify in contract or by written amendment any aspect of the contractual relationship with the concurrence of the contractor, and such clarification shall govern in the event of any conflict with applicable provisions in the RFP or the contractor's responsive proposal. The contractor understands and agrees that the contractor's responsive proposal may be accepted by MCHCP without further clarification and that the contractor may be held to any terms or commitments made therein.

C11 CONFIDENTIALITY

Contractor must agree to return any or all data furnished by MCHCP promptly at the request of MCHCP in whatever form it is maintained by contractor. On the termination or expiration of this contract, contractor will not use any of such data or any material derived from the data for any purpose and, where so instructed by MCHCP, will destroy or render it unreadable.

D1. EVALUATION PROCESS

D1.1 After determining that a proposal satisfies the mandatory requirements stated in the RFP, the comparative assessment of the relative benefits and deficiencies of the proposal in relationship to the published evaluation criteria shall be made. D1.1.3	Proposed Method of Performance	20 points

MCHCP also reserves the right to not go forward with any project.

D1.3 MCHCP reserves the right to consider historic information and fact, whether gained from the bidder's proposal, prior experience with the bidder, question-and-answer conferences, references, or any other source, in the evaluation process.

D1.4 The bidder is cautioned that it is the bidder's sole responsibility to submit information related to the evaluation categories and that MCHCP is under no obligation to solicit such information if it is not included with the bidder's proposal. Failure of the bidder to submit such information may cause an adverse impact on the evaluation of the bidder's proposal.

D1.5 The bidder's proposed participation of MBE/WBE firms in meeting the targets of the RFP will be considered in the evaluation process. A maximum of MBE/WBE participation points of 10 points will be awarded based on the participation amount proposed by the bidder. 2017 Printed Materials and Mailing Services Questions and Answers

1. In sections B2 and B8 – Are you wanting a paper sample? It's not currently on the bid request.

Paper samples are encouraged but not required.

2. For B5 – Since you are wanting it side stitched (left) with 2 staples along short edge, is this an oblong book? 10-7/8" x 8-3/8"?

Yes, it would be an oblong book, 10-7/8" x 8-3/8" in size. This is similar to what we did last year. Please visit our website to view a PDF version: http://www.mchcp.org/documents/st_benefitGuide_2016.pdf

3. For B9.4 – Is the Polypropylene bag supplied by you or by us? Are you wanting the addresses to be printed directly on the bag or on a label?

The Polypropylene bag must be supplied by the vendor. As far as the address label, whichever method would lower the cost while still maintaining a high-quality product.
