

2017 Benefit Guide
Public Entity Members

Your health can be one of the most important things in your life. Knowing what choices you have when it comes to your health care can be difficult. That's where Missouri Consolidated Health Care Plan (MCHCP) can help.

We recognize that each member is different and has unique needs. To meet those unique needs, MCHCP strives to offer a variety of options when it comes to benefits: from medical and prescription coverage to work-life balance programs. Check with your employer to see which plans are offered.

The 2017 MCHCP Benefit Guide was designed to help members understand these benefits and make informed decisions. This booklet outlines the plan options available and explains how each one works; all in an effort to educate you when it comes to your health care.

*Reduced coinsurance/copayments for certain diabetic medications and supplies. See page 21 for more information.

Medical Plans

Selecting the right medical plan is an important decision; one that can impact your finances. It's important to consider how the plans are similar, where they differ in cost, and which one is the right fit for you.

All three of MCHCP's medical plans* – the Health Savings Account (HSA) Plan, the PPO 600, and the PPO 1000 – offer the same, basic coverage, such as:

- 100% coverage of preventive care – such as annual wellness exams, vaccinations and age-specific screenings and much more – when using a network provider.
- Freedom to choose care from a nationwide network of primary care providers, specialists, pharmacies and hospitals, usually at a lower negotiated group discount.
- The same covered benefits for both medical and pharmacy.

While the benefits are the same in all three medical plans, other aspects differ – such as the premium, deductible and out-of-pocket (OOP) costs. Because each member has different medical needs, the best plan choice may differ from person to person. Take the time to consider your situation and review this section closely. It may help determine which plan is the right fit for you.

**Check with your employer to see which plans are offered.*

Preventive Services

Preventive services are designed to help identify potential health risks, allowing for early diagnosis and treatment. When done regularly, members not only save valuable time and money, but also experience better overall health outcomes.

Preventive care is covered at one hundred percent (100%) by MCHCP, regardless of your plan or whether you have met your deductible. For benefits to be covered at one hundred percent (100%), they must be supplied by a network provider, and billed as routine, without indication of an injury or illness.

Please talk with your provider about which preventive care services and health screenings are the most appropriate for you and your age group, as he or she is your best source of information about your health.

The preventive care benefit¹ includes, but is not limited to:

Adult

- Alcohol Misuse, Screening and Behavioral Counseling
- Annual Medical Exam
- Aspirin for the Prevention of Cardiovascular Disease
- Colorectal Cancer, Screening
- Depression in Adults, Screening
- Diabetes Mellitus, Screening
- Hepatitis C Virus Infection in Adults, Screening
- Immunizations
- Lung Cancer, Screening
- Obesity in Adults, Screening
- Routine lab and X-ray Services
- Skin Cancer, Counseling
- Tobacco Use in Adults, Counseling and Interventions

New in 2017

All non-Medicare members can receive four visits with a Certified Diabetes Educator² through their medical plan.

Men

- Abdominal Aortic Aneurysm, Screening

Women

- BRCA-Related Cancer in Women, Screening
- Breastfeeding, Counseling and Breast Pump
- Breast Cancer, Screening
- Cervical Cancer, Screening
- Osteoporosis, Screening

Children

- Well Child Exam – including depression, obesity, hearing and vision screenings and immunizations

MCHCP plans cover additional services as preventive care. For specific details, visit our website at www.mchcp.org.

1. Preventive services that are covered with no cost share are those services described in the United States Preventive Services Task Force A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) of the CDC, and HRSA Guidelines for women, as well as children, including the American Academy of Pediatrics Bright Futures periodicity guidelines.
2. Covered at 100 percent for PPO members or 100 percent after deductible is met for HSA Plan members, when received through a network provider. Visits must be ordered by a provider.

HSA Plan

Overview

The Health Savings Account (HSA) Plan is a qualified high-deductible plan. Members receive health coverage at a lower premium, when compared to other MCHCP medical plans.

	Network	Non-Network
Preventive Services	MCHCP pays 100%	40% coinsurance
Deductible	\$1,650 Individual \$3,300 Family	\$4,000 Individual \$8,000 Family
Medical OOP Max	\$3,300 Individual \$6,600 Family	\$5,000 Individual \$10,000 Family
Prescription OOP Max	Combined with Medical	
Medical Services	20% coinsurance	40% coinsurance
Prescription Drugs*	Generic: 10% coinsurance Preferred: 20% coinsurance Non-Preferred: 40% coinsurance	Generic: 40% Coinsurance Preferred: 40% Coinsurance Non-Preferred: 50% coinsurance

*Reduced coinsurance/copayments for certain diabetic medications and supplies. See page 21 for more information.

The HSA offers several key advantages:

- **Control:** HSA funds accumulate to pay for IRS-qualified medical expenses, such as doctor and chiropractor fees, dental treatments, hospital bills, prescriptions and more. You decide how to spend it based on your health care needs and budget. Plus, HSA funds roll over from year to year; there is no “use-it-or-lose-it” policy.
- **Flexibility:** You can deposit (as long as you remain eligible) or withdraw money any time. There is a yearly maximum amount for how much you can put in your account.
- **Portability:** You own the HSA funds and may keep them - even if you later change health plans, leave your job or retire.
- **Tax Savings:** There are triple tax savings with an HSA:
 1. You can put away money for qualified medical expenses before taxes are taken out. This means you set aside income-tax-free dollars in an HSA to pay for qualified medical expenses.
 2. Savings in your HSA grow tax-free.
 3. You pay no taxes when you use HSA funds to pay for qualified medical expenses.

How the HSA Plan Works

1. Active employee opens an HSA through a bank of their choice. The bank will distribute a debit card, along with detailed information about the account.
2. Members may contribute to their HSA at any time. Members are also encouraged to fund their account up to the annual limit set by the IRS (see chart on page 12).
3. Members may monitor their account through their bank’s website and/or monthly activity statements.
4. When visiting any health care provider or pharmacy, the member may pay for their expenses using the HSA debit card. No claim forms are required.
5. There are no copayments with the HSA Plan. Members will pay all of their medical and prescription expenses, using their HSA funds or out of their pocket, until the annual deductible is met. The HSA may be used at any time for qualified expenses, as long as sufficient funds are available in the account.
6. Once the deductible is met, members will pay coinsurance on covered expenses until their out-of-pocket maximum is reached. At that time, the plan will begin paying 100 percent of covered services. See Family Coverage section on page 12.

2017 HSA Annual Contribution Limits

Contributions	Subscriber Only	Subscriber/Spouse Subscriber/Child(ren) Subscriber/Family
IRS Contribution Limit	\$3,400	\$6,750
IRS Contribution Limit (age 55 and older)	\$4,400	\$7,750

Contribution rules for HSAs are complex. Members should consult a tax advisor about individual circumstances and the maximum annual contribution. MCHCP does not provide individual tax advice.

Family Coverage

If two or more family members are covered in the HSA Plan, the family deductible must be met before the member begins paying applicable coinsurance. One covered family member's expenses may meet the entire family deductible.

Eligibility

To participate in an HSA Plan, subscribers cannot:

- Be claimed as a dependent on someone else's tax return.
- Be enrolled in another medical plan, including Medicare and TRICARE.
 - If the subscriber is an active employee and Medicare eligible, they must defer Medicare to participate.
 - If subscriber is retired and they or a covered dependent will be Medicare primary in the upcoming plan year, they cannot enroll in the HSA Plan during Open Enrollment.
 - A member may be enrolled in another qualified high deductible health plan, dental and/or vision plan.
- Be a retiree with a Medicare-eligible dependent.
- Have a health care flexible spending account (FSA) [excludes premium-only, Dental/Vision Health Care and dependent care portions] or a health reimbursement account (HRA).
- Have received medical benefits from the Department of Veterans Affairs (VA) at any time during the previous three (3) months, unless the medical benefits received consist solely of disregarded coverage or preventive care.

See page 18 for information on the prescription drug coverage and coinsurance.

PPO 600 Plan

Overview

The PPO 600 Plan offers health coverage at a higher premium, when compared to other MCHCP medical plans.

	Network	Non-Network
Preventive Services	MCHCP pays 100%	30% coinsurance
Deductible	\$600 Individual \$1,200 Family	\$1,200 Individual \$2,400 Family
Medical OOP Max	\$1,500 Individual \$3,000 Family	\$3,000 Individual \$6,000 Family
Prescription OOP Max	\$5,100 Individual \$10,200 Family	No Maximum
Emergency Room	\$100 copayment plus 10% coinsurance Medicare: 10% coinsurance	\$100 copayment plus 10% coinsurance Medicare: 10% coinsurance
Other Medical Services	10% coinsurance	30% coinsurance

Emergency Room Copayment

Members visiting an emergency room (ER) may pay a \$100 copayment. This copayment is waived if the member is admitted to the hospital or the services are considered by the medical plan to be a “true emergency.” Even if the copayment is waived, the member will still have to pay any deductible or coinsurance owed for the ER service.

Copayments apply to the out-of-pocket maximum, but not the deductible. Medicare retirees will not owe copayments; they are only charged coinsurance.

How the PPO 600 Plan Works

1. When visiting a health care provider, the member will pay for their medical expenses out of their pocket until the annual deductible is met. Members visiting an emergency room may also pay a \$100 copayment (see Emergency Room Copayment section on page 14).
2. Once the deductible is met, members will pay coinsurance on covered expenses until their out-of-pocket maximum is reached. At that time, the plan will begin paying 100 percent of covered services. See Family Coverage section below.

See page 18 for information on the prescription drug coverage and coinsurance.

Family Coverage

If two or more family members are covered in a PPO plan and one family member reaches the individual deductible or out-of-pocket maximum, the medical plan begins paying claims for the individual. If one or more additional family members meet the individual deductible or out-of-pocket maximum, the medical plan begins paying claims for the entire family.

PPO 1000 Plan

Overview

The PPO 1000 Plan offers health coverage at a moderately priced premium, when compared to other MCHCP medical plans.

	Network	Non-Network
Preventive Services	MCHCP pays 100%	30% coinsurance
Deductible	\$1,000/individual \$3,000/family	\$2,000/individual \$6,000/family
Medical OOP Max	\$4,500/individual \$9,000/family	\$10,000/individual \$30,000/family
Prescription OOP Max	\$2,100/individual \$4,200/family	No Maximum
Office Visit¹	Primary Care or Mental Health: \$25 copayment Chiropractor²: \$20 copayment Specialist: \$40 copayment Medicare: 10% coinsurance	30% coinsurance Medicare: 10% coinsurance
Urgent Care	\$50 copayment	\$50 copayment
Emergency Room	\$100 copayment plus 10% coinsurance	\$100 copayment plus 10% coinsurance
Other Medical Services	10% coinsurance	30% coinsurance

1. The office visit copayments cover the visit only. Any lab, X-ray or other services associated with the visit will apply to the deductible and coinsurance.
2. Chiropractor copayment may be less than \$20 if it is more than 50 percent of the total cost of the service.

See page 18 for information on the prescription drug coverage and coinsurance.

Copayments

Members will pay a copayment for office visits, urgent care and emergency room (ER) services. The ER copayment is waived if the member is admitted to the hospital or the services are considered by the medical plan to be a “true emergency.” Even if the copayment is waived, the member will still have to pay any deductible or coinsurance owed for the ER service.

Copayments apply to the out-of-pocket maximum, but not the deductible. Medicare retirees will not owe copayments; they are only charged coinsurance.

How the PPO 1000 Plan Works

1. When visiting a health care provider, the member will pay a copayment for each visit. The member will also pay for other medical expenses out of their pocket until the annual deductible is met (see Copayments section above).
2. Once the deductible is met, members will continue to pay copayments. However, members will now pay coinsurance on covered expenses until their out-of-pocket maximum is reached. At that time, the plan will begin paying 100 percent of covered services (see Family Coverage section below).

Family Coverage

If two or more family members are covered in a PPO plan and one family member reaches the individual deductible or out-of-pocket maximum, the medical plan begins paying claims for the individual. If one or more additional family members meet the individual deductible or out-of-pocket maximum, the medical plan begins paying claims for the entire family.

Prescription Drug Plan

100 Percent Coverage

There are certain medications that MCHCP will cover at 100%¹, when accompanied by a prescription and filled at a network pharmacy:

- Preferred² birth control (non-preferred may be covered in limited situations)
- Generic vitamin D, 1,000 IU or less
- Over-the-counter (OTC) nicotine replacement therapy
- Preferred² brand and generic quit tobacco medications for members aged 18 and over
- Generic Tamoxifen, generic Raloxifene, and brand Soltamox (Tamoxifen liquid for patients who have difficulty swallowing Tamoxifen tablets) for the prevention of breast cancer
- Generic Aspirin, 81mg for women up to age 55 with preeclampsia risk
- Generic Aspirin, up to 325mg for men 45-79 years of age and women 55-79 years of age for the prevention of cardiovascular events
- Generic Folic Acid, 400 to 800 mcg/ day for women up to age 50
- Generic bowel prep (preferred² and OTC)
- Influenza vaccination – members aged 6 months and over
- Shingles vaccination – members aged 50 and over (pharmacists in Missouri may only be able to administer the vaccination to those aged 60 and over)
- Fluoride for children aged 6 months through 12 years
- Iron Supplement for members aged 6 months through 12 months

1. Drugs covered at 100% are those described in the United States Preventive Services Task Force A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) of the CDC, and HRSA Guidelines for women, as well as children, including the American Academy of Pediatrics Bright Futures periodicity guidelines.
2. Preferred drug as determined by ESI.

For information, visit our website at www.mchcp.org.

Non-Medicare members automatically receive prescription coverage with MCHCP medical plan enrollment. Express Scripts, Inc. (ESI) administers the benefits and offers a broad choice of covered drugs through a nationwide pharmacy network. Subscribers will receive a separate prescription ID card upon enrollment.

Drug Formulary and Exclusions

A drug formulary is a list of FDA-approved generic and brand-name prescription drugs and supplies covered by your health insurance plan. ESI places covered drugs into three levels: preferred generic, preferred brand or non-preferred.

Preferred drugs are covered at a lower cost to you. Non-preferred drugs are covered, but you will pay more than if you choose preferred brand or preferred generic drugs. If your health care provider prescribes a non-preferred drug, discuss preferred alternative options with your provider.

There are some drugs that are not covered. These drugs have a covered alternative option that can be discussed with your provider. In most cases, if you fill a prescription for one of these drugs, you will pay the full retail price. Your provider may request a clinical exception to cover the drug by calling Express Scripts' Prior Authorization Line. Approved exceptions are covered as a non-preferred drug.

ESI's preferred formulary list is available on the MCHCP website or by contacting ESI, and can change throughout the year. If you have a question about a drug you take, please call ESI at 800-797-5754.

Description	Health Savings Account (HSA) Plan	PPO Plans
Retail — Network (Up to 31-day supply)		
Generic	10% coinsurance	\$8
Preferred	20% coinsurance	\$35
Non-Preferred	40% coinsurance	\$100
Retail* — Network (32- to 60-day supply)		
Generic	10% coinsurance	\$16
Preferred	20% coinsurance	\$70
Non-Preferred	40% coinsurance	\$200
Retail* — Network (61- to 90-day supply)		
Generic	10% coinsurance	\$24
Preferred	20% coinsurance	\$105
Non-Preferred	40% coinsurance	\$300
Home Delivery — Network (61- to 90-day supply)		
Generic	10% coinsurance	\$20
Preferred	20% coinsurance	\$87.50
Non-Preferred	40% coinsurance	\$250
Retail — Non-Network (Up to 31-day supply)		
Generic	40% coinsurance	\$8
Preferred	40% coinsurance	\$35
Non-Preferred	50% coinsurance	\$100
Pay full price of prescription and file claim. Members are reimbursed the network discounted amount, less the applicable copayment or coinsurance		

*May not be available at all retail locations.

Home Delivery and Retail Pharmacy

Members taking maintenance medications must decide whether to receive their prescriptions by home delivery or retail pharmacy. The home delivery benefit covers up to a 90-day supply for 2½ copayments.

Members may fill a maintenance prescription twice at a retail pharmacy while they decide. If the member has not notified ESI of their choice by the third fill of the prescription, the member must pay the full network discounted amount for the prescription.

Specialty Medications

Specialty medications are drugs that treat chronic, complex conditions. They require frequent dosage adjustments, clinical monitoring, specialty handling, and are often unavailable at retail pharmacies.

Accredo is ESI's home delivery specialty pharmacy provider. Specialty drugs must be filled through Accredo. If ESI has identified your medication as being needed immediately, you may get the first fill at a retail pharmacy. After that first fill, you must get that specialty medication through Accredo. Members who continue to go to a retail pharmacy will be charged the full discounted price of the specialty drug.

Diabetes Support Services

Non-Medicare members needing diabetic medications or supplies can receive the following:

- Lower prescription copayments/coinsurance (see chart on page 22)
- Preferred glucometer (one per year), and prescribed preferred test strips and lancets*

**Covered at 100 percent for PPO members or 100 percent after deductible is met for HSA Plan members, when received through a network pharmacy.*

HSA Plan Coinsurance for Diabetic Medications

	Generic	Preferred	Non-Preferred
Network	5% coinsurance	10% coinsurance	20% coinsurance
Non-Network	20% coinsurance	20% coinsurance	25% coinsurance

PPO Plan Copayments for Diabetic Medications

Supply	Generic	Preferred	Non-Preferred
Up to 31-day	\$4	\$17.50	\$50
Up to 60-day	\$8	\$35	\$100
Up to 90-day (Home Delivery)	\$10	\$43.75	\$125
Up to 90-day (Retail)	\$12	\$52.50	\$150

Other Information

Some prescriptions are subject to preauthorization, quantity level limits or step therapy requirements. If you fail to follow requirements, the prescription may not be covered.

More information about prescription drug coverage can be found on our website at www.mchcp.org.

How the Prescription Plan Works

1. The member receives a prescription from a health care provider.
2. Fill the prescription. Depending on the medication, members have several options in which to fill their prescriptions:
 - a. Short-term medications can be filled at a retail pharmacy.
 - b. Members taking ongoing, maintenance medications must decide whether they would like to fill it at a retail pharmacy or through ESI's Select Home Delivery. See section on page 21 for more information.
 - c. Specialty medications must be filled through Accredo, ESI's home delivery pharmacy provider. See section on page 21 for more information.
3. Pay for prescription. Drug costs are based on the drug tier (preferred* brand or generic, or non-preferred) and where the prescription was filled (retail pharmacy or home delivery). PPO Plan members pay a set copayment. HSA Plan members pay the full cost of the prescription until deductible is met. After that, they pay coinsurance (see chart on page 20 for more information).
 - a. Some prescriptions are covered at 100 percent. See section on page 18 for more information.
4. Members will continue to pay prescription copayments/coinsurance until their out-of-pocket maximum is reached. At that time, the plan will begin to pay 100% of covered expenses. For PPO Plans, the prescription and medical out-of-pocket maximums are separate. For the HSA Plan, the prescription and medical out-of-pocket maximum is combined.

**Preferred drug as determined by ESI.*

Dental Plan

Overview*

Delta Dental of Missouri (DDMO) offers comprehensive dental benefits through a nationwide network of participating providers. These benefits include:

- Diagnostic and preventive care services
- Basic and restorative services
- Major services

**Check with your employer to see if this plan is offered.*

How the Dental Plan Works

1. The member may visit a network or non-network provider.
 - a. DDMO offers two provider networks: the Delta Dental PPO Network and the Delta Dental Premier Network. Both networks offer members cost-control and claim-filing benefits. However, out-of-pocket expenses may be higher with the Delta Dental Premier Network.
 - b. If utilizing a non-network provider, the member will be responsible for paying the provider in full, as well as submitting a claim form to DDMO. The out-of-pocket costs will most likely be higher.
2. The cost of the visit will also depend on the type of service the member received.
 - a. Diagnostic and preventive services are covered at 100%.
 - b. Members receiving basic and restorative or major services must meet a \$50 deductible. Once the deductible is met, members will pay coinsurance. See the chart on page 25 for more information.
3. Coverage is limited to \$1,000 per person per calendar year.

The chart below provides a summary of the covered services.

Coverage	Service	You Pay	Note
Diagnostic and Preventive	Examinations Prophylaxes (teeth cleaning) Fluoride Bitewing X-rays Sealants	No deductible 0% coinsurance	Dental exams, X-rays, cleanings and fluoride treatment do not apply to the individual plan maximum
Basic and Restorative	Emergency Palliative Treatment Space Maintainers All Other X-rays Minor Restorative Services (fillings) Simple Extractions	\$50/person deductible ¹ 20% coinsurance	X-rays do not apply to the individual plan maximum
Major Services	Prosthetic Device Repair All Other Oral Surgery Periodontics Endodontics Prosthetic devices (bridges, dentures) Major Restorative Services (crowns, inlays, onlays) Implants/Bone Grafts	\$50/person deductible ¹ 50% coinsurance	12-month waiting period for major services. The waiting period is waived with proof of 12 months of continuous dental coverage for major services immediately prior to the effective date of coverage in MCHCP's Dental Plan

1. Coinsurance amounts apply after the \$50 individual deductible is met under either Basic and Restorative or Major Services combined

Two additional cleanings are allowed per calendar year for members who are pregnant, diabetic, have a suppressed immune system or have a history of periodontal therapy.

Visit the MCHCP website for more information.

Vision Plan

Overview*

National Vision Administrators, L.L.C. (NVA) offers vision benefits through a nationwide network of participating providers. Basic and premium plans are offered with specific copayments for services from network providers. Both plans offer allowances for services from non-network providers. These plans do not replace medical coverage for eye disease or injury.

The chart below provides a summary of the copayments and reimbursement rates for the two vision plans.

**Check with your employer to see if these plans are offered.*

Benefits	Network	Non-Network
Exams - once every calendar year		
Two annual exams covered for children up to age 18		
Vision Exam	\$10 copayment	Reimbursed up to \$45
Lenses - once every calendar year; copayment applies to all lens options		
Single-vision lenses (per pair)	\$25 copayment	Reimbursed up to \$30
Bifocal lenses (per pair)	\$25 copayment	Reimbursed up to \$50
Trifocal lenses (per pair)	\$25 copayment	Reimbursed up to \$65
Lenticular lenses (per pair)	\$25 copayment	Reimbursed up to \$100
Polycarbonate lenses (per pair) Applies to children up to age 18	100% coverage	Not covered
Premium Plan Only Standard anti-reflective coating	\$30 copayment	Not covered
Premium Plan Only Standard progressive multifocal	\$50 copayment	Not covered

Benefits	Network	Non-Network
Frames — once every two calendar years; once every calendar year for children up to age 18		
Frames¹	Basic Plan	
	<p>Up to \$125 retail allowance and 20% discount off remaining balance</p> <p>Up to \$55 Every Day Low Price price point at Wal-Mart or Sam’s Club locations (if included in the network). Discount off remaining balance does not apply at Wal-mart or Sam’s Club locations.</p>	Reimbursed up to \$70

<p>EyeEssential Discount Plan</p>	<p>When members exhaust their annual benefits, NVA offers the EyeEssential Discount Plan, which provides significant discounts on materials through participating NVA network providers.</p>	<p>Not covered</p>

Benefits	Network	Non-Network
LASIK Discounts	<p>NVA members will pay a maximum amount for corrective laser surgery:</p> <ul style="list-style-type: none"> • Traditional PRK – \$1,500 per eye • Traditional LASIK – \$1,800 per eye • Custom LASIK – \$2,300 per eye <p>Members may receive additional benefits at LasikPlus locations nationwide:</p> <ul style="list-style-type: none"> • Special pricing on select technologies • Free initial consultation and comprehensive LASIK vision exam • Advanced laser technologies including Wavefront and IntraLase (All-Laser LASIK) • Financing options available 	Not covered

- 1. Wal-Mart and Sam’s Club Example:** A member with the Premium Plan chooses a pair of frames at Wal-Mart that cost \$128. The Premium Plan pays \$77, and the member pays the \$51 difference.

How the Vision Plan Works

- The member may visit a network or non-network provider.
- If using a network provider, the member will pay a vision exam copayment plus the applicable cost for materials purchased.
 - Most lenses and contact lenses have a copayment.
 - Members needing frames or elective contact lenses will receive a retail allowance. This allowance varies between the Basic and Premium Vision Plans.
 - See the chart on pages 26-29 for more information.
- If using a non-network provider, the member will be responsible for paying the provider in full, as well as submitting a claim form to NVA. NVA will then reimburse the member up to specific amount. This amount is based on the member’s vision plan (Basic or Premium) as well as the service and/or materials purchased. See the chart on pages 26-29 for more information.
- Cost maximums are available to members needing corrective laser surgery through NVA’s LASIK discount program.
- When a member exhausts their annual benefits, they may still receive significant discounts on materials through NVA’s EyeEssential Discount Plan.

When receiving services from a network provider, NVA pays the provider directly. When receiving services from a non-network provider, members pay the provider and file the claim. Reimbursement checks for non-network claims may take up to 30 days to process. In Missouri, members may be required to pay the full retail amount and not the negotiated discount amount at certain participating providers.

Visit the MCHCP website for more information.

Strive Employee Life & Family (SELF) Program

Personal problems, planning for big life events or dealing with daily stress can affect your overall well-being. The Strive Employee Life & Family (SELF) program, previously called the Employee Assistance Program (EAP), is here to help. The SELF program, offered through ComPsych, is your place to help reduce stress, improve health and enhance life balance. Plus, the SELF program is offered at no cost to you. Check with your employer to see if this program is offered.

If offered, the SELF program is available to eligible members 24 hours a day, every day of the year. You can keep using the SELF program for 18 months following retirement and through the month after you are laid off. Your household members can use the SELF program for six months after your death.

Local, Private, In-Person Counseling

The SELF program offers behavioral health counseling services to help with everyday issues such as stress, relationships, parenting, grief and loss and substance use. Trained staff will listen to your concerns and refer you to a local counselor for in-person help.

You can get up to six counseling sessions per problem, per year, per person. There is no limit on the number of different problems. Additional counseling sessions may be covered by an MCHCP medical plan.

Money Matters

The SELF program offers FinancialConnect® for phone sessions with a Certified Public Accountant or Certified Financial Planner. These experts can help you with a wide range of money issues, including how to get out of debt, retirement planning, and saving for college.

Legal

The SELF program offers LegalConnect® for phone sessions with an attorney. You can talk with an attorney to ask questions, get legal help and plan next steps. For in-person legal help, LegalConnect® will refer you to a local attorney for a 60-minute session and a 25 percent discount for additional time.

Identity Theft and Fraud Resolution

The SELF program offers IDResources® for a phone session with a fraud resolution specialist and legal and financial experts. You can get a 60-minute session to help with identity theft or fraud and to restore damaged credit.

Everyday Support

The SELF program offers FamilySource® for help with every day issues such as child and elder care, moving and relocation, making major purchases, vacation planning and much more. You can call or go online to get expert help. FamilySource® staff will listen to you and then they take it from there to create a plan for getting the services you need.

This plan will be done within two business days, but could be within 24 hours depending on your needs. Your plan will be sent by e-mail, fax or mailed second day air right to you. The plan will include advice specific to your needs such as:

- At least three local referrals with maps and directions to each
- Specific state-licensing standards for facilities and providers
- Checklists to help review facilities and providers

Online Library of Helpful Tools

The SELF program offers GuidanceResources® Online for more information and advice. This tool includes an on-line library that covers topics such as health, wellness, consumer, family, career, education, as well as legal and finance. You can also use the "Ask a Guidance Consultant" feature to find the information you need.

Nurse Call Line

All MCHCP medical plan members have access to 24-hour nurse call lines for health-related questions.

If you're unsure whether to go to the doctor for an illness or just want more information about a treatment or condition, registered nurses are on hand all day, every day to help.

To use this service, call your medical plan:

UMR NurseLine

Helpful Tips

Websites

Plan websites are provided as a convenience to our members. The inclusion of other websites does not mean MCHCP endorses or is responsible for those websites.

Provider Directories

Participating providers may change during the year. Contact the plan or the provider to verify participation. Contact UMR, ESI, DDMO or NVA for a list of network providers.

Benefit Information

This guide provides a summary of your benefits. More detailed information is available at www.mchcp.org or from the plans.

Discrimination is Against the Law

MCHCP complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. MCHCP does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

MCHCP:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - o Qualified sign language interpreters
 - o Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - o Qualified interpreters
 - o Information written in other languages

If you need these services, contact Shelley Farris.

If you believe that MCHCP has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:

Shelley Farris

Director of Benefit Administration
832 Weathered Rock Court, PO Box 104355
Jefferson City, MO 65110
Phone/Fax: 573-526-3427
Compliance@mchcp.org

You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, Shelley Farris (Director of Benefit Administration) is available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail or phone at:

U.S. Department of Health and Human Services

200 Independence Avenue, SW Room 509F
HHH Building Washington, D.C. 20201
1-800-368-1019, 800-537-7697 (TDD)

Complaint forms are available at hhs.gov/ocr/office/file/index.html
